To Whom It May Concern:

When I was asked to write this letter of recommendation, I was honored that Michelle Carion had asked me. Words cannot express what a wonderful teacher and person I have witnessed in her.

Michelle is our permanent substitute teacher here at Romeo High School. Every morning she comes in with a smile on her face. She is always willing to help no matter what I ask of her to do. If you have ever heard the expression "Pay It Forward" that is Michelle. Her continual acts of kindness and generosity have helped many of our students and staff here at the high school. Michelle is a very caring individual.

I have found her to be a very talented and hard- working individual. She is the type of person that is always willing to do what it help no matter what the task I ask of her.

Romeo High School is committed to providing our students the best education possible. But what really makes our programs so successful is the committed, selfless, and caring attitude of our staff. Michelle Carion is all of this and more. She has touched the lives of many.

I highly recommend Mrs. Michelle Carion for any position she applies for. She has excellent classroom management skills and communicates very well. She is well liked by the students, well respected by her peers, and has unlimited potential. She would be a welcome addition to the staff of any school.

All I can say is - If there were more people in this world like Michelle Carion, this world would definitely be a better place to live and work.

Sincerely,

Judy Bettcher  
Principal's Secretary
